

Statement by Barracuda Networks Inc. for customers resident in the European Union (EU)

To whom it may concern.

Barracuda Networks Inc. confirms that all details given on invoices of Barracuda Networks Inc. to our customers resident in the European Union (EU) are correct and in conformity to EU regulations.

Barracuda Networks Inc. confirms that prior to the shipment of commodities to customers resident in the European Union (EU) all notifiable commodities were declared to EU customs.

This regards all offered goods and services.

In case of import to the EU, all duties and taxes have been paid by the fully-owned subsidiary Barracuda Networks Limited, England

Westham Industrial Estate

Grafton Way, Basingstoke

Hampshire, RG22 6HY

United Kingdom

VAT number: GB 845 048 718

Company Reg No: 5145504

Barracuda Networks Limited, England is the responsible sender (Consigner) within the EU.

Because of that, all shipments of commodities to customers resident in the EU are to be treated as an intra-community supply within the EU. Barracuda Networks Limited, England makes Intrastat Declarations in conformity to EU regulations.

Regards,

A handwritten signature in black ink, appearing to read "Dean Drako", enclosed within a large, irregular circular scribble.
